Honorable Carlisle P. Runge  
Assistant Secretary of Defense (Manpower)  
Washington 25, D. C.

Dear Mr. Runge:

Mr. McCone has asked me to study and reply to your letter of 6 April 1962 concerning the designation of a direct point of contact within this Agency which the Joint Chiefs of Staff can use to notify us of SACEUR and SACLANF Alert Conditions.

This will serve to advise you that notification of such Alert Conditions should be made to the Central Intelligence Agency Watch Office, Telephone Code 143, Extension 7551, as the direct point of contact. This office is open for business at all times.

Sincerely,

15/  
L. K. White  
Deputy Director
